## 1.0 Activating your 1BestariNet ID (Parents)

Step by Step Guide

# Module 1.0: Activating your 1BestariNet ID (Parents)

**Skill Level:** Beginner

**Completion Time:** 0.5 Hours

## Introduction: Why do I have to activate my 1BestariNet ID?

---

Under 1BestariNet, a nationwide project carried out by the Malaysian Ministry of Education and YTL, every parent, student and teacher has been provided with an ID that enables access to a variety of tools that create a more exciting and interesting learning experience.

Your ID, when activated, gives you unlimited access to the **hop in** portal. The hop in portal contains tools and links to everything you need to participate in Malaysia's 1BestariNet project. These benefits include:

Your 1BestariNet Yes ID gives you unlimited access to the Frog VLE through the Yes 4G network anytime, anywhere!

The Frog VLE is an award-winning, cloud-based virtual learning platform that enhances the education experience for teachers, students and parents.

The FrogStore is a one-stop shop for every teacher's and student's educational needs, where everything you need for learning is just a click away!

Powered by Google and Google Apps for Education, yesMail enables you to easily share and collaborate through the cloud.

Access Google's suite of built-in apps with your 1BestariNet Yes ID, enabling you to take your work and assignments anywhere with cloud storage.

Everyone now has quick and easy access to contact the people that matter most through their yesMail. Privacy settings on yesMail ensures that your contact details are only visible to the right people.

Be part of a community of practice on the Frog Community Site where fellow educators can learn, discover and be inspired through sharing best practices, discovering handy tips and being inspired by other educators around the nation.

The Pond is portal for students where great ideas are sparked and knowledge is shared.

A series of talks, seminars, workshops and conferences that aim to inspire and enlighten Malaysians on how education can be transformed through the use of technology and the Internet.
